

The background is light blue with a white central area. It features several art-related illustrations: a paintbrush with orange and yellow paint in the top left; a yellow sun-like splash in the top left; a green starburst splash in the top right; a purple and white paint tube on the left; a blue squiggle on the right; a blue splash in the bottom right; a watercolor palette and a paintbrush in the bottom left; and a paint palette with brushes and tubes in the bottom right.

VISUAL ARTS YEAR 3

The children will begin the year revising the routine of the art room, remembering where resources are placed around the room and how to clean up at the end of their art time.

During this term the students will create a variety of pieces of work that explore: shape, space, design and pattern.

Students will create different pieces of work including positive and negative pictures, city sky scraper pictures which include the use of paper, paint and crayons.
