

GRADE 3 ART

TERM 2

SAILING BOATS

Students use the element of line to create the feeling of movement.

Students use a combination of crayon and paper in this design.

ANZAC DAY ACTIVITY

Make paper poppies.

Students use a variety of paper skills to tear cut and paste to create a poppy.

BLUE HILLS, PAINTING

In this activity students explore perspective with the use of colour and shading with paint.

Students will experiment with colour mixing and create a feeling of distance using colour and perspective.

STAINED GLASS FACES/CLOWNS

Students create a stained-glass effect using crayon and oil on paper.
