

Prep 2024

Introduction to Prep 2024

The main aim of our “SAM’s Off to School Program” is to familiarize parents and children with the school and staff. Your child will be involved in a program to enhance them socially and emotionally. We will be providing an enjoyable school introduction for your child, thus ensuring a smooth beginning to their years at St. Albans Meadows Primary School.

SAM’s “Off to School Program”

Our School Readiness Program will take place in Term 4. Here, children and families will be introduced to the classroom environment, staff and learning programs. Children will visit the prep classrooms and participate in learning activities with the current Prep teachers, whilst parents are invited to participate in information sessions and meet other prep parents.

Transition Dates

Families will receive notification of dates, times and instructions via mail/email and will be available on the school website in Term 3.

Assessment Week

Your child will be allocated an appointment for an assessment. This will take place in December.
