

GRADE 5 NEWSLETTER

Term 3

Welcome to Term 3! We hope the students had a restful holiday and are ready to get back to the school routine. Various incursions/excursions have been organised this term, including Bricks4Kidz and Scienceworks.

Curriculum

In Literacy, the students will work on Reading strategies that they will apply to their own independent reading. They will be working on activities that are suited to their needs.

In Writing, there will be a focus on procedural and information writing. Students will also be exposed to poetry tools.

The students will be involved in a weekly spelling program suited to their needs and building their grammar skills.

NUMERACY

In Numeracy, the focus of this term will be addition, subtraction, multiplication, division and word problems. Various tasks will be completed in perimeter, area, and volume. We will also be working on Chance and Probability.

INQUIRY

For Inquiry, the focus will be in Science in the unit "The Journey to Discovery". Students will learn about light refraction, electrical circuits, states of matter and the scale of the solar system through hands-on experiment and experiences.

Reminders

- Please make sure your child brings their iPads to school every day and they are fully charged. All notifications need to be switched off on their iPads during school hours.
- If your child's watch has a phone function, it must be disabled or handed to the teacher.
- Homework is to be completed each week.
- Diaries must be at school every day for communication and organisation purposes.
- Please inform the school of student absences through XUNO and submit notes/permission on time.
