POLICY

1. School profile

St. Albans Meadows Primary School was established in 1980. Our school is situated in the City of Brimbank, approximately fifteen kilometres to the west of Melbourne, just beyond the Western Ring Road. The community, which is somewhat isolated by the Ring Road

and other major roads, is dominated by the Grantham Green housing estate, which is now well established.

Many young families occupy houses in the estate and the majority of their children attend our school. Some students also attend the school from as far afield as Sydenham. St. Albans Meadows has a high reputation as a caring and progressive school and parents of students with gifted academic ability, learning difficulties and/or behavioural problems, choose the school because of the quality of its educational and welfare programs.

Enrolment trends have shown growth from 270 children in 1998 to 430 children in 2023. 77% of the students are from Non-English-Speaking Backgrounds (NESB) and 35% of these students are of Vietnamese descent. The NESB students represent a wide range of nationalities, linguistic groups and cultures. Involvement in school decision-making is valuable for children and can be fostered through such activities as membership of the Junior School Council and participate in our leadership programs.

Teachers are dedicated to developing each child's potential. They strive to achieve best practice in their approaches to teaching and learning. Frequent participation in quality Professional Development activities is encouraged and a very strong emphasis is placed on a team approach to curriculum planning, implementation and evaluation.
