- Public Holiday - 1st Nov

WELCOME

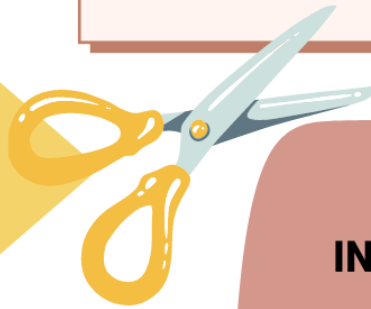

Welcome to Term 4.

The students are excited to be back at school and are looking forward to an excellent ending to the fantastic year we have had.

The students are continuing to focus on being independent and developing great teamwork.

NUMERACY

In Mathematics, the focus this term will be Location and Transformation. Students will work on numerous skills such as multiplication, division and subtraction in their maths groups.

PARENT INFORMATION

As we have now begun a SunSmart term, students are required to wear a school hat at recess and lunch. Students who arrive late need to contact the office. The school year finishes on the 20th of December.

ENGLISH

In Reading and Writing, the students are focusing on an author study about Margaret Wild. They will be learning about her biography, writing style, and the themes of her books.

INQUIRY

The Inquiry unit will involve students learning about how they can research and market a product that they will create. This will be done at our Smoothie Bar Incursion.
