

# Curriculum

## LITERACY

The children will continue tasks and assessments in English and Mathematics. They will be working on activities that are specifically tailored to their needs.

In Writing, students will focus on using persuasive language and techniques connecting to our social justice topic. They'll also write and perform a spoken word poem using poetic devices to enhance their ability to express themselves. Their exploration into writing will be supported by reading a variety of mentor texts that will focus on vocabulary, making connections and comprehension strategies. Additionally, students will continue their spelling program with weekly tests.

## MATHEMATICS

We will continue our PRIME Mathematics learning, developing our understanding of fractions, decimals and percentages. During the time of the Olympic games, we will be focusing on data and the different ways we can display those results. We also encourage students to regularly practise their times tables to improve their problem-solving skills.

## INQUIRY

In Inquiry, students will explore social justice - investigate the rights of children and how aid agencies support essential needs across the world. They will learn about the challenges children face globally and how they can contribute to making a positive impact.

# GRADE 5 NEWSLETTER

## TERM 3

Welcome to Term 3! As we begin with our semester, we would like to express our appreciation for your continued support and partnership in your child's education. We look forward to another successful term of experiences and learning.

## REMINDERS

- ***iPads and diaries must be at school every day for communication and organisation purposes.***
- ***It is important that all notifications are switched off on iPads while in class.***
- ***Please make sure your child's iPad is fully charged for each school day and they have the suggested apps on their iPad.***
- ***Please ensure all clothing items and hat are labelled.***
- ***Please inform the school of student absences through XUNO.***
- ***Please complete all permission notes on Xuno before the due date.***
- ***Classrooms are open from 8:50am each morning and we encourage children to come in early and get prepared for the day.***
