TERM 2: 2022

*Mrs Haldun (F-3)*

*Ms Schembri (4-6)*

## FOUNDATION, ONE, TWO & THREE

## FOUR, FIVE & SIX

*We begin this term continuing with our recent studies about Australia.*

*Students in years 4 and 5 will be introduced to the work of renowned Australian landscape artists Arthur Boyd and Fred Williams. Students will analyse their chosen style and technique and explore how this evolved over time. They will practise how to critique a work of art in their own terms.*

*Drawing inspiration from the unique styles of the Australian artists, students will create their own bush landscape using paint as their medium. The final artwork will be supported by lessons which assist students in building their knowledge and skills around Landscape drawing and painting.*

*Year 6 students will explore an Australian landmark and have opportunities to practise colour and texture techniques with a range of resources.*

*Their final artwork will focus on the style and mood created in Australian artist Kate Shaw's landscape work. Using a fun and experimental marbling technique, they will create patterned papers and backgrounds. The landscape collage will be colourful and each one unique, enhanced by an extraordinary reflection.*
