Dear parent,

My name is Amy Cookson and I am a Clinical Psychologist providing psychological assessment, treatment and counselling to children and adolescents. Your child

has been referred to me by his or her school. If you are interested in engaging my services please read the following information:

Confidentiality

All personal information gathered by the psychologist during counselling will remain confidential and secure. All information will remain confidential except where:

1. It is subpoenaed by a court, or
2. Failure to disclose the information would place your child or another person at serious and imminent risk, or
3. If disclosure is otherwise required or authorised by law.

Information Sharing

For some children it may be beneficial for me to provide strategies to support your child in his/her classroom and school environment. This may require the psychologist to confidentially discuss your child's progress with his or her teacher, welfare officer and or school principal/s.
