

AHOY ME ARTIES

# ART

## WITH MS SCHEMBRI... ALL ABOARD

Our year 4, 5 & 6 buccannery will set sail in the Art Room on a journey to uncover the history of Pirates.

Over the term we will be sourcing images, tangible resources & stories to help us imagine & create extraordinary pirate themed art.

3 dimensional elements will be incorporated into our art projects. Upon completion these will be displayed in our Under The Sea themed Art Room space.
