

YARD DUTY AND SUPERVISION POLICY

ST ALBANS MEADOWS

If you need help to understand the information in this policy, please contact St Albans Meadows Primary School

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at St Albans Meadows including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

St Albans Meadows Primary school grounds are supervised by school staff from 8:50am until 3:30pm Outside of these hours, school staff will not be available to supervise students.

Parents and carers will be advised through regular reminders that they should not allow their children to attend St Albans Meadows outside of these hours. Families will be encouraged to contact BIG Childcare <https://bigchildcare.com/> for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at St Albans Meadows Primary School are expected to assist with yard duty supervision and will be included in the weekly timetable.

The Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At St Albans Meadows, staff will be designated a specific yard duty area to supervise.

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored [insert detail]
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in [insert location].
- Be familiar with the yard duty information pack containing student health and safety information stored [insert location if your school keeps a pack/folder of any information relating to student health and safety such as frequent absconders, parents who pose a serious risk to safety etc, or delete this point if you don't have this kind of pack/folder]
- [insert any other equipment used at your school]

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed
- ensure students remain in their designated zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- report any incidents or near misses as
- If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief

but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Principal or Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Principal or Assistant Principal] but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should. send a message to the office/call Assistant Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Principal /Year Level Coordinator for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.
