

ITALIAN

TERM THREE

2026

Benvenuti! - *Welcome!*

We are looking forward to another exciting term of Italian, where all students from Foundation to Year 6 will continue developing their language skills, while exploring the rich history, culture and traditions of Italy.

The learning this term has been planned to support our exciting incursion on Italian Day in Term 4, giving students valuable background knowledge and cultural understanding before the event.

Unit 1: The Colosseum

Students will journey back to Ancient Rome as they explore the famous Colosseum and discover the important role Gladiators and animals played in Roman entertainment.

Through this unit, students will build their Italian vocabulary by learning the names of animals and using simple descriptive language.

They will also develop their understanding of ancient Roman history and culture, comparing past and present attitudes while creating spoken and written texts to showcase their learning.

Unit 2: Pinocchio

Using the much-loved Italian story of Pinocchio, students will develop their Italian vocabulary for body parts and physical features while learning more about one of Italy's most iconic children's stories.

Through engaging songs, stories and interactive activities, students will practise describing themselves and others, building confidence in using Italian in meaningful and enjoyable ways.
